

Uninsured/Underinsured Motorists Higher Limit Rejection

Uninsured Motorists Coverage provides Bodily Injury protection for you if you are injured in an accident caused by another driver who does not have any liability insurance coverage.

Underinsured Motorists Coverage provides the same protection if the other driver has liability coverage but such coverage is not adequate to compensate for the injury sustained.

Uninsured/Underinsured Motorist Coverage is available up to the bodily injury limit.

Please sign this form with the understanding that you have purchased **Bodily Injury Coverage** in limits higher than the basic statutory limits and that you wish to waive the election of the higher limits on **Uninsured/Underinsured Motorist Coverage**.
